NEW! Self Guided Tour Packs Specific to KS3 and KS4

We are pleased to announce an exciting venture for 20-21 Visual Arts Centre and a creatively stimulating opportunity for schools and colleges in North Lincolnshire and beyond. Our new Self Guided Tour Pack is currently **FREE** to any schools wishing to make a visit to 20-21 in order to enrich their arts delivery.

The new Self Guided Tour Packs are specially designed to compliment our changing exhibition programme, as well as being directly related to art and design national curriculum at each key stage. This means each pack will be specific to a schools requirements, as well being as relevant to our exhibitions; enhancing any educational visit to the centre.

By attending 20-21 Visual Arts Centre and following our new Self Guide Tour Packs, students will be given the chance to:

- Engage with contemporary art, craft and design, and work in a creative environment, as well as make work in response to local cultural influences.
- Develop their own views and express reasoned judgements through spending time, physically, with real quality artwork that has been well researched and beautifully crafted.
- Make links between art and design and other subjects and areas of the curriculum.
- Achieve areas of their Arts Award.

Richard Bartle's "Deities at the Bottom of the Garden"

Our first **FREE** Self Guided Tour Pack is built around "Deities at the Bottom of the Garden"; an exhibition by Richard Bartle.

Students will experience contemporary art, made specifically for Scunthorpe's 20-21 Visual Arts Centre, that explores a range of images, symbols and artefacts from different faiths. "Deities at the Bottom of the Garden" is a series of twelve miniature garden sheds, displaying characteristics from different cultural temples, shrines and places of worship.

Available 15th Dec 2012 — 23rd Feb 2013

All images are taken from Richard Bartle's *Deities at the Bottom of the Garden*

Contribute to our blog, for FREE!

Education at 20-21 have a blog that is regularly updated with information on upcoming workshops, photographs of the work participants have made and exciting news on exhibitions taking shape in the galleries.

After your school have taken part in a Self Guided Tour, why not contribute your studies, creative outcomes and experiences, onto our blog.

For more information on how to contribute to the blog, take a look at:
